- 2.1.2 These Conditions also apply to gratuitous and reduced fare carriage except to the extent that we have provided otherwise in our Regulations or in the relevant contracts, passes or Tickets.

- 2.3.1 On some services we may have arrangements with other carriers known as “Codeshares”.

This means that even if you have a reservation with us and hold a Ticket where our name or Airline Designator Code is indicated as the Carrier, another Carrier may operate the aircraft. If such arrangements apply, we will advise you of the name of the other Carrier operating the aircraft at the time you make a reservation. Where the identity of an operating Carrier is not known at the time of reservation, or where there is a change of operating carrier post- reservation, we will inform you of the operating Carrier's identity as soon as that information is established.

- 2.3.2 Each of our Codeshare partners has rules regarding the operation of its own flights and these may differ from the rules applied to our own flights, and such rules are incorporated herein by reference and form a part of your contract for carriage to the extent they apply. ## **ARTICLE 3: TICKETS**

### **3.1 GENERAL PROVISIONS**

- 3.1.1 We will provide carriage only to the Passenger named on the Ticket, and you may be required to produce appropriate identification.
- 3.1.2 We sell some Tickets at discounted fares which may be partially or completely non-refundable. You should choose the fare which best suits your needs and consider taking out insurance to cover instances where you might have to cancel your Ticket.
- 3.1.3 If you have a Ticket, as described in Article 3.1.2 above, which is completely unused, and you are prevented from travelling due to Force Majeure, provided that you promptly advise us and furnish evidence of such Force Majeure, we will provide you with a credit of the non-refundable amount of the fare, for future travel on us, subject to deduction of a reasonable administration fee, except as provided under applicable laws or Convention.
- 3.1.4 Your Ticket is our property at all times if it was issued by us or our Authorised Agents. If your Ticket was issued by or on behalf of another airline, it is the property of the airline which issued it.
- 3.1.5 Except in the case of an Electronic Ticket, you shall not be entitled to be carried on a flight unless you present a valid Ticket containing the Flight Coupon for that flight and all other unused Flight Coupons and the Passenger Coupon. Furthermore, you shall not be entitled to be carried if the Ticket presented is mutilated or if it has been altered otherwise than by us or an Authorised Agent. In the case of an Electronic Ticket, you shall not be entitled to be carried on a flight unless the Electronic Ticket was issued in your name and you can demonstrate that you are the person named on it by providing appropriate identification.
- 3.1.6 In case of loss or mutilation of a Ticket or part of it or non-presentation of a Ticket containing the Passenger Coupon and all unused Flight Coupons, we will, upon your request and subject to the Carrier's Regulations, replace such Ticket (or part of it) by issuing a new Ticket, if there is readily ascertainable and sufficient evidence at the time, that a Ticket valid for the flight(s) in question was duly issued. Any replacement is subject to you signing an agreement to reimburse us up to the value of the original Ticket for necessary and reasonable costs or losses incurred by us or another Carrier for misuses of the Ticket. We will not claim reimbursement from you for any such losses which result from our own negligence. The issuing Carrier

may charge a reasonable administration fee for this service, unless the loss or mutilation was due to the negligence of the issuing Carrier, or its agents.

3.1.7 Except as required under applicable laws or Conventions, if the necessary evidence required under Article 3.1.6 is not available or the agreement to reimburse our costs and losses is not signed, you may be required to pay up to the full Ticket price for a replacement Ticket, subject to refund if and when the original issuing Carrier is satisfied that the lost or mutilated Ticket has not been used before the expiry of its validity. If, upon finding the original Ticket before the expiry of its validity, you surrender it to the Carrier issuing the new Ticket, the foregoing refund will be processed at that time.

3.1.8 Your Ticket is not transferable unless we are required to transfer your Ticket under any applicable laws. If someone other than the person entitled to be carried on a Ticket travels pursuant to that Ticket or is given a refund in connection therewith, we shall not be liable to the person so entitled if, in good faith we provide carriage, or make a refund. If we are required to transfer your Ticket pursuant to any applicable laws, you must:

- (ii) Give us or our Authorised Agent reasonable notice of your intention to transfer your Ticket before your date of departure;
- (iii) Give us or our Authorised Agent the full name, address and contact number of the person to whom you want your Ticket to be transferred;

- (iii) fail to operate a flight reasonably according to schedule; or

- (v) substitute a different class of service; or
- (vi) are unable to provide previously confirmed space,

the validity of your Ticket will be extended until the first flight on which space is available in the class of service for which the fare has been paid.

3.2.3 When you are prevented from travelling within the period of validity of the Ticket because at the time you request reservations we are unable to provide space on the flight, the validity of such Ticket will be extended until our first flight on which space is available in the class of service for which the fare has been paid or you may be entitled to a refund.

3.2.4 When you are prevented from travelling within the period of validity of the Ticket by reason of illness after having commenced your journey, we may extend the period of validity of your Ticket until the date when you become fit to travel or until our first flight after such date, from the point where the journey is resumed on which space is available in the class of service for which the fare has been paid. Such illness must be attested to by an original valid medical certificate issued by a licensed medical practitioner. When the Flight Coupons remaining on the Ticket, or in the case of an Electronic Ticket, the Electronic Coupon, involve one or more Stopovers, the validity of such Ticket may be extended for not more than three months from the date shown on such certificate. In such circumstances, we will similarly extend the period of validity of Tickets of other members of your immediate family accompanying you.

3.2.5 In the event of death of a Passenger en-route, the Tickets of the persons accompanying the Passenger may be modified by waiving the minimum stay and extending the validity. In the event of a death in the immediate family of a Passenger who has commenced travel, the validity of the Passenger's Tickets and those of his or her immediate family who accompanied the Passenger may likewise be modified. Any such modification shall be made upon receipt of a valid death certificate and any such extension of validity shall not be for a period longer than forty-five (45) Days from the date of the death.

### **3.3 COUPON SEQUENCE AND USE**

3.3.1 We will honour Flight Coupons only for the transportation in the sequence from the place of departure as shown on the Ticket. The Ticket may not be valid and we may not honour the Ticket if the Coupons are not used in the sequence provided on the Ticket and you commence your journey at any Stopover or agreed stopping

place.

- 3.3.2 You must contact us in advance if you wish to change any aspect of your transportation.

The fare for your new transportation will be calculated and you will be given the option of accepting the new price or maintaining your original transportation as ticketed. Except as required under applicable laws or Convention, should you be required to change any aspect of your transportation due to Force Majeure, you must contact us as soon as practicable, and subject to the provision of satisfactory evidence to us of Force Majeure, we will use reasonable efforts to transport you to your next Stopover or final destination, without recalculation of the fare.

- 3.3.3 Except as required under applicable laws or Convention, if you change your transportation without our agreement, your unused Flight Coupons will not be valid for travel and will have no value and we will not carry you until we or our Authorised Agent have recalculated the revised fare for your actual transportation and you have paid the difference (if any) between the price you have paid and the total price applicable for your revised transportation. We will refund you the difference if the new price is lower.

- 3.3.4 Many fares are valid only on the dates and for the flights shown on the Ticket and may not be changed at all, or only upon payment of an additional fee.

- 3.3.5 Each Coupon contained in your Ticket will be accepted for carriage in the class of service on the date and flight for which space has been reserved. When a Coupon is originally issued without a reservation being specified, space may be later reserved subject to our Tariff and the availability of space on the flight requested.

Whilst we make every effort to provide seats for which confirmed reservations have been made, no absolute guarantee of seat availability is denoted by the expression reservations, bookings, status and the timings attached to them. We operate compensation schemes, in accordance with the applicable laws and our compensation policy to passengers with confirmed reservations who are involuntarily denied carriage because of non-availability of seats.
